September 2020

Dear Parent/Guardian

## **PARENT SURVEY - DEMAND FOR AND SUPPLY OF PUBLIC AND SCHOOL TRANSPORT AND ACTIVE TRAVEL OPTIONS**

In supporting the full re-opening of schools in September the Department for Transport via Cumbria County Council have requested schools contact parents to complete an on-line survey to assess the demand for school and public transport and also to promote sustainable travel (walking, cycling and scooting) to school with regard to social distancing.

This survey is designed to capture as much information as possible at the start of the new academic year on how children travel to school at the same time establishing if there are any road safety issues preventing your children from walking, cycling or scooting. The results of this survey will assist the Council with implementing measures to improve travel options, liaise with the relevant partner organisations and investigate concerns raised by parents on routes to school. If you are able to respond to this survey by Friday 18th September this would be greatly appreciated, however all responses are valuable so please complete the survey as soon as practicable.

If you have access to a computer please complete this survey on-line by typing the link below into your search engine browser bar.

If you do not have access to a computer please complete the attached survey form - the questions are the same on the form as they are on-line. The survey needs to be completed and returned to school by **Friday 18<sup>th</sup> September**.

Yours sincerely,

Mrs Batey,  
Head Teacher
