Set up our device in a safe neutral space in school.	Set up your device e.g. computer, tablet or mobile phone on a table where your child will have access to a pencil and paper.
	Set up should be in a downstairs room and NEVER in a private room such as a bedroom. Think about what the camera will see in the space you are using - position the device to avoid showing things you do not want other people to see including other family members not involved in the session.
Send you an 'invite' by email from our school email address:	NOT share the meeting ID or password with anyone else.
