9th November 2018

Dear Parents and Carers,

RE: ROAD CLOSURE of RACKS BRIDGE – 19th Nov

Since learning on Wednesday of the imminent closure of Racks Bridge, we have worked with the Metcalfe construction company to try to ensure as little disruption as possible to school and our locality. As a result, we can now inform you that:

- The closure is a full road and pedestrian closure meaning there will be no access at all for the duration of the works;
- The closure has now been postponed and will now begin on 19th November to allow for better communication and planning.
- The diversion route is shown over page. The route will be clearly marked and has passing places along the way.

We ask that the road adjacent to school that leads directly towards New Pallyards/Longtown is used sparingly during times when the school bus is in operation i.e. 8:40-9:00 and again 3:30-3:45, please.

During the first week, until we get used to alternative routes, we urge you to travel safely and plan your journey time accordingly. However, we will of course, understand if delays are unavoidable.

If you have any concerns, please ask in school as we will try our best to help you.

Yours sincerely

Lynnsey Batey
Head Teacher
